Chesapeake PETS

March 1-3, 2012

Rotary Districts 7600, 7610, 7620 & 7630

Congratulations on being selected to lead your Rotary club during the 2012-13 Rotary Year. It's both a privilege and a responsibility, but you are not alone. Your district leadership and the Presidents-Elect Training Seminar (PETS) are there to serve you and to help make your year the very best it can be.

At Chesapeake PETS, you will learn about the President's roles and responsibilities, goal setting, club administration, and member recruitment, development, and retention. This seminar is also an opportunity for you to build strong working relationships with other Presidents Elect who share a common vision and dedication to carrying out the ideals of Rotary service. There will be time at PETS for you to work with your Assistant Governors and other District team leaders.

We have excellent speakers planned including Past RI Presidents Ray Klingensmith and Frank Devlyn. You will also meet and hear from successful Rotary leaders at many levels on the Rotary journey. They will share their experiences with you, inspire and prepare you to lead your club.
