Dear Presidents-elect,

Congratulations on being selected by your club to lead them during the 2010-11 Rotary Year. It's both a privilege and a responsibility, but you are not alone. Your district leadership and the Presidents-elect Training Seminar (PETS) are there to serve you, to help make your year the very best it can be.

At PETS, you will learn about your roles and responsibilities, goal setting, club administration, and member recruitment, education, and retention. This seminar is also an opportunity for you to build strong working relationships with Presidents-elect from other districts who share a common vision and dedication to carrying out the ideals of Rotary service. You will also have an opportunity to work with your assistant governor and other district team leaders.

You will meet and hear from successful Rotary leaders at many levels on the Rotary journey. They will share their experiences with you, inspire and prepare you to lead your club.

As incoming Governors, we are honored to serve alongside you as members of Rotary's Team.

We look forward to seeing you at PETS and to working with you as together we spread Rotary's message in your club, your community and your world.

Yours in Rotary Service,

Jayne Sullivan
